MEMORANDUM FOR THE VICE PRESIDENT
THE SECRETARY OF STATE
THE SECRETARY OF DEFENSE
THE DIRECTOR OF CENTRAL INTELLIGENCE
THE CHAIRMAN, JOINT CHIEFS OF STAFF

SUBJECT: Implementation of NSDD-99: India and Pakistan (S)

The Vice President's visit to India and Pakistan, May 12-17, 1984, requires a review of NSDD-99 and the elements that relate to U.S. security relations with India and Pakistan. For this reason, the State Department is requested to chair an IG to review NSDD-99 and to prepare recommendations for an SIG on specific issues to be decided prior to the Vice President's visit. (S)

The IG would also be charged with determining the concrete steps to be taken to move forward towards our goal of a strengthened relationship with India and Pakistan as part of our overall Southwest Asia strategy. The following subjects should be addressed:

-- U.S. policy on release of sophisticated military hardware to Pakistan. In particular, we need to face squarely the question of how to respond to pending Pakistani requests for systems such as the AIM-9L missile, Copperhead, E2C, etc. (S)

-- Initial planning for a follow-on to our current five-year security assistance program, including a strategy for discussing a follow-on program with the GOP. (S)

-- Determination of near- and long-term priorities for increased access to Pakistani facilities and improved military cooperation with Pakistan, taking into account GOP sensitivities as spelled out in NSDD-99 and elsewhere. (S)

-- Specific measures to improve our political-military relations with India. (S)

A paper for SIG review should be available for distribution no later than COB April 23rd. (C)
